### 2010 CABERNET SAUVIGNON

*Mendocino County*

Herds of deer range the hills forming the Ukiah Valley. Two Cabernet Sauvignon vineyards on opposing hillsides of the valley come together, balancing each other to create a harmoniously flavorful wine.

This wine is the unique expression of a carefully nurtured piece of land, made manifest in each bottle. We do without conventional pesticides and synthetic fertilizers, treating the soil as a living, life-giving system. Our winegrowing practices create special wines, while sustaining our environment, the place where we live, and the people who live here.
